2022 Oktoberfest

What is the Tinley Park Oktoberfest

The Oktoberfest is an annual event presented by the Tinley Park Chamber of Commerce. This annual event is held at the 80th Avenue Metra Train Station parking lot, located at 18001 S. 80th Avenue, Tinley Park. The attendees are local dignitaries, chamber members, surrounding business district and over 15k residents. Attendees can expect to enjoy authentic German food, a carnival, vendor fair, traditional and modern musical entertainment, ceremonial keg tapping, food and beer from local vendors.

The Tinley Park Chamber of Commerce offers members exposure through sponsorship levels at the Oktoberfest where your business can receive targeted and quality exposure to a broader audience. We encourage members to take advantage of these unique and affordable opportunities to promote their business. These exposure opportunities are a great way for members to market their businesses and connect to potential customers or clients.
